

2016 Joint Academic Forum between Thai-Nichi Institute of Technology and the Japan University & Company Research Group

12 September 2016, Faculty of Engineering, Thai-Nichi Institute of Technology (TNI), Bangkok, THAILAND

Honorary Chairs

Assoc. Prof. Dr. Bandhit Rojarayanont
President of Thai-Nichi Institute of Technology, TNI
Assoc. Prof. Dr. Pichit Sukchareonpong
Vice President for Research and Academic Services
Asst. Prof. Dr. Lerkiat Vongsampigoon
Dean, Faculty of Engineering, TNI

Advisory Chairs

Asst.Prof.Dr. Wipawadee Wongsuwan, TNI
Asst.Prof.Dr. Warakorn Nerdnoi, TNI
Asst.Prof.Dr. Jintawat Chaichanawong, TNI
Mr.Sirichai Putthawattana, TNI
Asst.Prof.Anchalee Supithak, TNI
Ms.SiriluckAnekboonlab, TNI
Dr.Dumrongkiat Rattana-amornpin, TNI
Dr. Korakot Hemsathapat, TNI
Dr.Wiroj Thasana, TNI
Mr.Worawut Chitkchornwanit
Assoc.Prof.Trizit Benjaboonyazit, TNI
Ms.Warangkana Suksom, TNI

Technical Program Chairs

Asst.Prof.Dr.Wimol San-Um
Head of Intelligent Electronics Systems Research, TNI
Dr. Shouji Usuda
Guest Professor and Research Fellow of Osaka Electro-Communication University, JPN
Dr. Shoshi Inoue
Hokkaido University of Education, JPN

Technical Program Committee

Asst.Prof.Dr.Nuttapol Limjeerajarus
Head of Automotive Engineering, TNI
Dr.Phaisarn Sudwilai
Electrical Engineering Program, TNI
Dr.Atit Tamtrakon
Electrical Engineering Program, TNI
Mr.Sivapong Nilwong
Computer Engineering Program, TNI
Asst.Prof.Dr Warakorn Srichavengsup
Computer Engineering Program, TNI
Dr.Kanticha Kittipeerachon
Computer Engineering Program, TNI
Prof. Dr. Satoshi Itou
Gifu Shoutoku Gakuen University, JPN
Prof. Dr. Kaei Washino
Gifu Shoutoku Gakuen University, JPN
Prof. Dr. Hironari Nozaki
Aichi University of Education, JPN

Workshop Secretary

Asst.Prof.Dr.Wimol San-Um
Head of Intelligent Electronics Systems Research, TNI

Administrative Committee

Ms.Chutikarn Niyaboon, Faculty Secretary, TNI
Ms.Saranya Dowpradit
Ms.Thitima Somthong

The 2016 Joint Academic Forum between Thai-Nichi Institute of Technology and the Japan University & Company Research Group has been sponsored by Thai-Nichi Institute of Technology which will provide an international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Engineering and Innovation.

TOPIC OF INTERETS

Authors are solicited to contribute to the workshop by submitting original articles that illustrate research results, projects, surveying works, industrial experiences, and ideal framework in multi-disciplinary areas of electrical and electronics engineering including, but not being limited to:

- Track 1:** Electronics, covering topics on: Embedded System; Integrated Circuits and Systems; Microprocessors; Simulation and Modeling; Control Systems.
- Track 2:** Power & Energy Systems, covering topics on: Power Systems Operation and Control; Power Electronics; Batteries; Renewable Energy; Smart Grid.
- Track 3:** Information Technology, covering topics on: Microcomputer Application Technology; Electronic Measurement and Control; Communications and Networking; Signal and Image Processing; Biomedical Imaging; Robotics.
- Track 4:** Technical Education with Information, covering topics on: Computer Aided Education; Language Education; Multimedia Systems and Application.
- Track 5:** Introduction of Company and Business Contents.

SUBMISSION OF PAPERS

Prospective authors are invited to submit full paper about 4 pages in PDF or Microsoft Word compatible file format. Paper should have the normal article style: title, authors and position, abstract and keyword are arranged in one column and the content text is described in double column setting. Please notify the title and position of paper submission and send the full paper to inoue.shoshi@s.hokkyodai.ac.jp

IMPORTANT DATES

Deadline for paper submission **July 15, 2016**
Deadline for camera-ready paper submission **August 15, 2016**

SPECIAL EVENTS

Award of excellent article and presentation of student from TNI
Ayuttaya sightseeing at September 11th
Lunch ceremony on TNI at September 12th
Factory tour at September 13th (DENSO Thailand and Daihen Electric)

FURTHER INFORMATION

Japan: Prof.Dr. Shouji Usuda, E-mail: u-shouji@osakac.ac.jp
Thailand: Dr. Wimol San-Um, E-mail: wimol@tni.ac.th
